

# patientslikeme®

**PatientsLikeMe** is a **free online community** where thousands of patients with life-changing conditions share real-world experiences.

See how PatientsLikeMe can help you **take control of your health**:

## Share your health profile

Answer simple questions to create a shared health profile. See how you're doing over time.

## Find patients like you

Search by gender, age, treatments, symptoms, and time since diagnosis to easily connect with patients like you.

## Learn from others

Learn from the real-world treatment and symptoms reports, forum discussions, health profiles, one-on-one conversations, and more.

*"The most endearing quality about this site has been how right from the beginning I was brought into the magic of this place and befriended by countless people here who were only too happy to help me along in this journey battling this illness."*
